

DID YOU KNOW.....

Truck drivers are experienced professional drivers.

Truck driver education is mandatory and more intensive.

U.S. drivers of large trucks were much less likely to be involved in fatal crashes than drivers of other vehicles according to NHTSA.

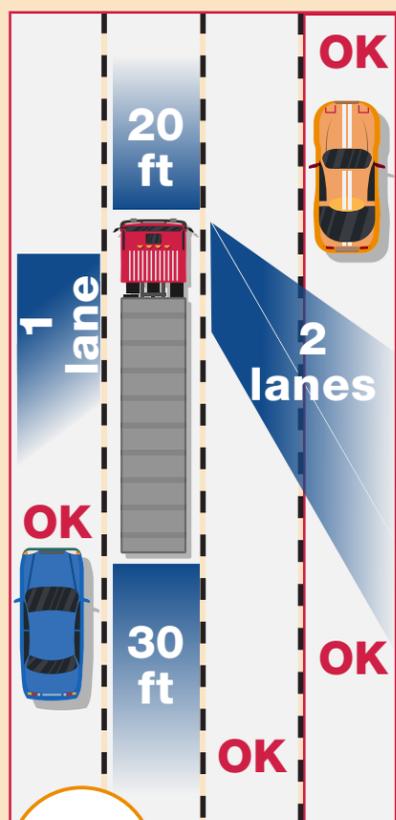

Safety Council 2024

72% OF ALL CONSUMER GOODS ARE DELIVERED BY DRIVERS OF LARGE TRUCKS.

DID YOU KNOW.....

Drivers of large trucks need more space on the road because:

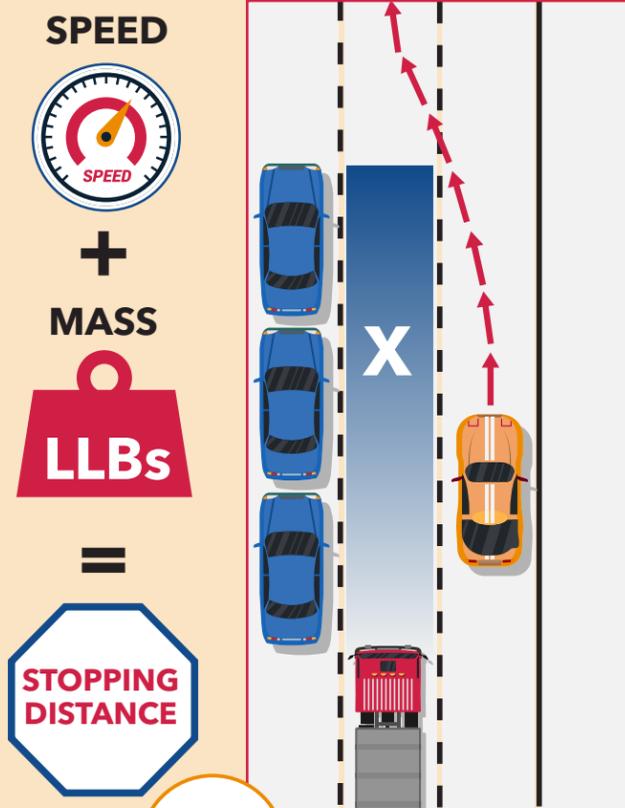

THEY HAVE LARGER BLIND SPOTS

ROAD SAFETY TIPS

✓ Keep your distance from large trucks. Driving too close means they can't see you.

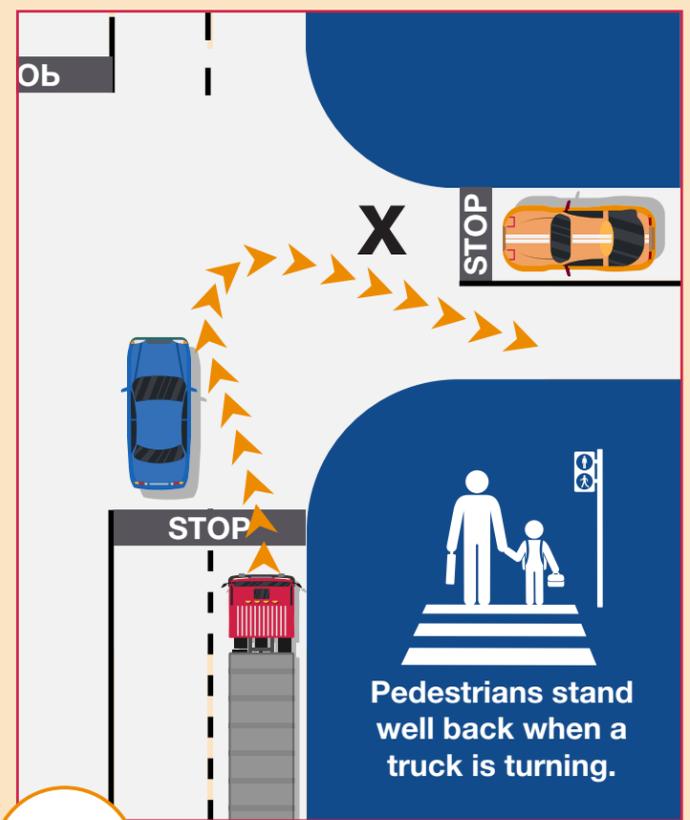

THEY NEED MORE DISTANCE TO STOP

ROAD SAFETY TIPS

✓ Leave 3 to 4 car lengths before merging in front of a large truck.

THEY MAKE MUCH WIDER TURNS

ROAD SAFETY TIPS

✓ At intersections leave enough space and stay back for large trucks to pull to the outside of their lane to make a wide turn.

Cyclists should avoid travelling or stopping at an intersection beside a large truck.

My choices on the road help everyone get home safe.
